

Advance Directive Virtual Workshop

A free opportunity to learn about Health Care Power of Attorney and Living Will forms

Most of us hope we will always be independent, healthy and in control of our own lives. But a sudden accident or serious illness can take away that freedom. When that happens, our loved ones are asked to make medical choices for us. Take control of your future care by having an advance directive.

Think about it. Talk about it. Write it down.

At this virtual workshop, trained facilitators will provide information about advance care planning and will walk you through the Health Care Power of Attorney and Living Will document. You will have the opportunity to have all your questions answered and learn what steps you need to take next. You only need to register for one session.

Hosted by Your Care-Your Choice via ZOOM

All sessions from 5 to 6:30 p.m.

October 8 | November 12

To register send an email to: YourCareYourChoice@AtriumHealth.org
