## OJI Treatment Location List

### 3<sup>rd</sup> Choice:

- *If the situation fits the need for an Emergency Room visit, then the employee may opt to go to any Novant or Atrium ER facility. The ER is only expected to be chosen as the treatment location for emergencies only.*

**NOTE:** When an employee treats at any facility other than Concentra, they **MUST** follow up with a Concentra provider within 24 hours unless otherwise advised by Risk and Safety.
