

# Aflac isn't health insurance Let us show you who we really are

Traditional insurance pays doctors and hospitals. Aflac pays you. That means you can use your benefits any way you like, whether it's to pay leftover medical bills or any other expense you may have. They're your benefits, so you can use them your way.

**Isn't it time to get to know Aflac? Mecklenburg EMS Agency - Medic is making these insurance policies available:**

## Cancer/Specified Disease:

Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer ever occurs. Regardless of family history, cancer affects 1 in 2 men and 1 in 3 women.
