

## COMPLIANCE CLASS TRAINING

In order to successfully complete this LMS training, please be aware of the following:

### PASSWORDS AND LOGIN

It is your responsibility to ensure that you have access to the Success Factors Learning Management System (LMS). You will need to log into the LMS to complete your compliance training and to set up your fit testing/TB test, if applicable.

If you have never logged into the LMS then you will do the following:

- Go to: <https://medic911.plateau.com>
- User ID: Employee ID number with preceding zeros if applicable
- Default Temporary Password is: 'medic911'

If you have forgotten your password please use the "forgot password" function. If that fails then contact Medical Services at [eqs@medic911.com](mailto:eqs@medic911.com). Password resets will only occur during business hours.

You must be sure that you have your correct login information before attempting to complete work in the lab.

For complete instructions, visit <https://www.medic911.com/extranet/my-medic/corporate-compliance>. If you have Corporate Compliance content questions, contact Pam Jackson at [pamelaj@medic911.com](mailto:pamelaj@medic911.com). For technical questions, contact Medical Services at [eqs@medic911.com](mailto:eqs@medic911.com)
