Agriculture/Lawn & Garden
Image

Agriculture

John Deere has been the leader in agriculture equipment since its beginning in 1837 when John Deere began producing plow components. James River Equipment has partnered with John Deere since its beginning in the 1920s. This strong relationship between dealer and manufacturer means value for you, our customer.

Lawn & Garden

John Deere has been the leader in lawn & garden equipment since the 1960s when John Deere began producing residential mowers. James River Equipment has partnered with John Deere since its beginning in the 1920s.

Construction/Forestry/Paving & Mining

Construction/Forestry/Paving & Mining

John Deere has a proud history in serving the earth moving industry. Since the model MC Dozer manufactured in 1947, John Deere construction has been at the leading edge of the industry. James River Equipment has been representing Deere Construction since 1972. This strong relationship between dealer and manufacturer means value for you, our customer.
