Re: Radio Reports of CRITICALLY ILL Patients

---

Beginning Wednesday December 3<sup>rd</sup> at 00:01 AM the Mecklenburg EMS Agency has been approved to provide minimal patient identifiers during radio report to improve patient care

Providing this information has been approved by Corporate Privacy at Medic, Carolinas Healthcare System, and Novant Health

Information provided is to be limited to **PATIENT NAME** and **DATE OF BIRTH**

At this time, no additional patient identifiers are to be transmitted

Information may be provided in the following instances:

**Code STEMI** / Patients with **ROSC** in the field

If requested by receiving physician for **CRITICALLY ILL** patient

This information is NOT intended to be part of the routine radio transmission for all transported patients.
